ADVANCED PRODUCTS

Designed for standard and critical applications.

GASKETS

Standard gaskets made of non-metallic, semi-metallic and metallic materials.

PACKINGS

Stuffing box packings and sets for advanced and standard applications.

HIGH-PERFORMANCE PLASTICS

PTFE construction and pressed parts, semi-finished products and extrudates, PFA-metal composites.

SPECIALTIES

Blinds, weld rings, lens gaskets, expansion joints, and more.

ADVANCED SOLUTIONS

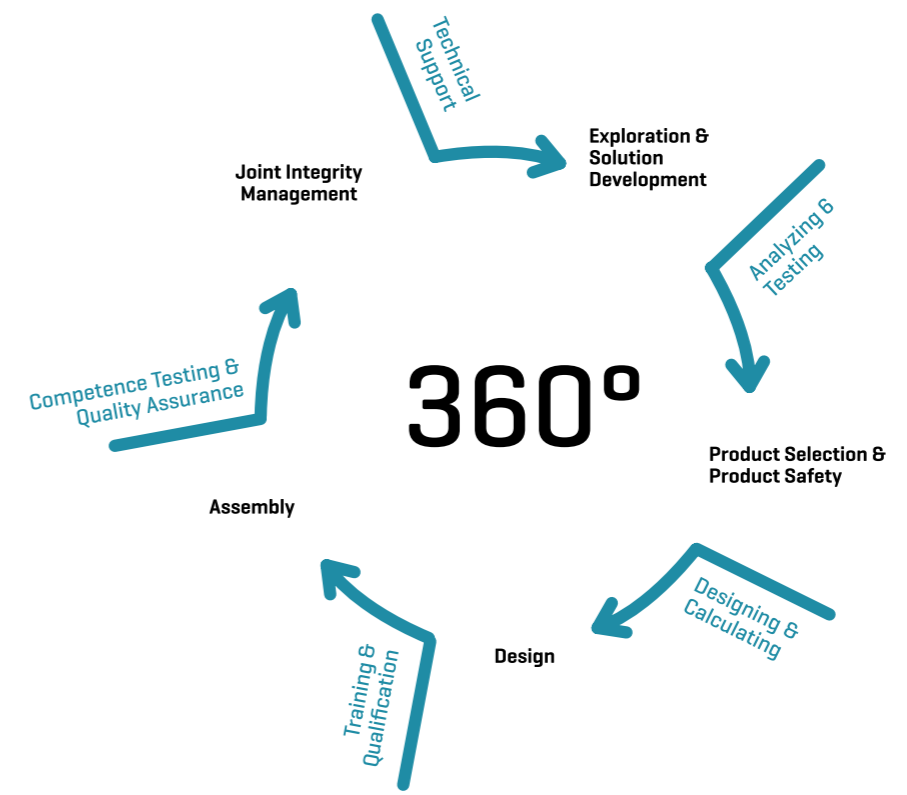

Adhesive-free, low emission, O₂ clean.

ADVANCED SERVICE

Flexible to your needs. Reliable at every turn.
TA-Service, training, inhouse laboratory and testing, advanced engineering.

MADE IN GERMANY

Technical service and advanced products since 1984.
